

**LAUNCH RELEASE:**

**Believe in the extraordinary with The Remarkable Toilet Company**

The Remarkable Toilet Company is proud to unveil its Metropolis range, in four truly original finishes.

Exclusively available from [www.beautifultoilets.com](http://www.beautifultoilets.com) the Metropolis brings individuality to any bathroom or WC. A fusion of style inspired by the opulence of the Art Deco period and the modernistic Bauhaus movement, these toilets are available in bronze, graphite, chrome and gold, offering customers a unique choice of finishes.

Hand finished in the UK, the Metropolis is a real statement piece, looking equally at home in a period setting, on trend in a loft style apartment, and bang on the button for creating that industrial chic look.

As a complete toilet system range, the Metropolis includes a toilet pan, cistern, cistern brackets and flush pipe kit, all for an affordable £1,250 including delivery.
